Families at the Center of Results

## Eva E. Mosby Regional Vice President

Eva E. Mosby is a Regional Vice President who oversees Urban Strategies Memphis HOPE to develop and implement data-driven strategies to assist our families in thriving and self-sustaining communities.

Eva believes that successful community development requires a comprehensive and integrated set of strategies around building people and building place.

Eva has supported the Women's Foundation for a Greater Memphis (WFGM) Vision 2020 efforts in reducing poverty by 5% in the highest poverty area (38126) in the city of Memphis by 2020.

Eva has spent the past thirty years working to improve the lives of families living in poverty. She has completed three leadership academies; Tennessee Government Executive Institute (TGEI), Leadership Memphis and LEAD Tennessee. These leadership academies allowed Eva to develop strong partnership and leverage resources to meet the critical needs in the community.

Eva holds a Bachelor of Arts in Business Administration from Delta State University and a Master Degree in Public Administration from the University of Memphis.
