

USI | URBAN STRATEGIES, INC.
Families at the Center of Results

Kevin Daniels

Senior Project Manager

Kevin Daniels is a Project Manager with Urban Strategies, Inc. who works with community members and colleagues in Sacramento, California to ensure local residents have an active voice and role in their neighborhoods.

Daniels believes that empowered residents must be at the center of defining and sustaining their community. He is leading the Choice Neighborhood Implementation initiative as well as supporting the Transformative Climate Communities initiative.

Prior to joining USI, Mr. Daniels served 5 years as the Vice President of Programs and Operations for the Greater Sacramento Urban League and before then, he spent 6 years teaching Computer Sciences and Technology in the Georgia school system.

Kevin holds a Bachelor's Degree in Electrical Engineering and Physics from California State University-Chico. She is currently pursuing a Master's Degree in Social Work from the Brown School of Social Work at Washington University.
